The kind of greatness we long for as a community won't happen by accident. In partnership with business and government, we'll need to work hard to reduce the disparities in our region. The kind of change we envision will require all our foundation's resources—our intellectual capital, our ability to bring together diverse stakeholders, our communications muscle—to take advantage of this special moment in our history, this opportunity we have to create something even greater than before.

— **Dr. G. Albert Ruesga**, *President & CEO*

Our community and region have been blessed with greatness. From our vibrant culture to the rich bounty of our natural surroundings. Our people are imbued with a greatness of spirit. And it is that indomitable spirit that guides the Greater New Orleans Foundation in helping metropolitan New Orleans reach the fullness of its destiny. Most importantly, it is your generosity that makes it all possible. You are the power behind a greater New Orleans.

— **Phyllis M. Taylor**, *Board Chair*

OUR MISSION

The Greater New Orleans Foundation will be the regional leader in promoting responsible philanthropy and equitable outcomes by connecting donors to community needs.

OUR COMMITMENT TO EQUITY

Franklin Roosevelt once said that “any oppression, any injustice, any hatred, is a wedge designed to attack our civilization.” Our region’s greatness will depend on our ability to move forward as one community in which there’s fairness and equality of opportunity for all.

OUR KEY PROGRAMS

COMMUNITY REVITALIZATION *Leading the way.*

The waiter who serves you, the nurse who treats you, the musician who entertains you: they all need a place to live. Over 134,000 homes in Orleans Parish were damaged by Hurricane Katrina and the subsequent levee failures. In 2007, we created the five-year, \$25 million Community Revitalization Program to spur the redevelopment of vibrant neighborhoods. To date, the Fund has made 40 grants totaling over \$13 million. A key player in New Orleans community development, the Greater New Orleans Foundation led the way to bring together 21 national and local foundations to provide funding for everything from housing to technical assistance for those rebuilding their homes.

REGIONALISM *We are not alone.*

Much of what makes New Orleans unique comes from the regions that surround it. Creole tomatoes from Plaquemines Parish. Spicy crawfish from St. Bernard. Recognizing this significant interdependence, we launched and funded community-based affiliates in several key parishes. We seed the affiliates with \$100,000 per year for five years and provide strategic guidance to help them use their assets in partnership with private and national sources of support. Our regional leadership builds lasting pathways of goodwill and cooperation among the parishes we serve.

ENVIRONMENT *Resilience is the key.*

Nowhere is our primal connection to the environment more apparent than in Southern Louisiana. One thing is clear: levees and pumps alone cannot save us. Resiliency is the key to our coexistence with Mother Nature. Through its Environmental Fund, the Foundation partners with experts and community leaders to chart effective environmental strategies. Our leadership role has resulted in the creation of adaptive solutions, including new water management techniques; urban gardens; raised, storm-resistant homes; and better building codes. Solutions that work with our environment, not against it.

COMMUNITY IMPACT *Somebody who cares lives here.*

Drive down Elysian Fields Avenue in Gentilly, once devastated by Hurricane Katrina, and you will be greeted by freshly painted signs and medians landscaped with varied stands of trees reflecting the diversity of the area. This simple act of optimism was made possible by generous donations to the Foundation’s Community IMPACT Program. It benefits a host of energetic nonprofits that are rebuilding the fabric of our city. It invests in organizations dedicated to the Arts & Culture, Children & Youth, Civic Engagement & Nonprofit Support, Education, Health, and Human & Social Services.

COMMUNITY REVITALIZATION *A greater hope*

The broad smiles on the faces of Joyce Jones and her daughter Theresa are made possible by donations to the Foundation's Community Revitalization Program, which has awarded over \$13 million to help build or rehabilitate homes in Orleans Parish. Joyce and Theresa hope to be in their new home for the holidays.

REGIONALISM *A greater tomorrow*

Thanks to our donors, we are helping to preserve oyster fisherman Kuzma Tesvich's way of life. Through our regional affiliates program, we helped create the Southeast Louisiana Fisheries Assistance Center. The Center provides commercial fishermen with free business planning, fishing licenses, and financial assistance.

ENVIRONMENT *A greater vision*

Ensuring a source of healthy food, wholesome after-school activity and awareness of the environment is the goal of the Urban Micro-Farm administered and run by the School at Blair Grocery. Here instructor Nat Turner works in the garden with student, Josh Jones. The students feel so empowered that they renamed the school "Our" School at Blair Grocery.

COMMUNITY IMPACT *A greater voice*

Vocalist Olivia Greene is one of 2,500 local performers who have been helped by the highly successful Sweet Home New Orleans Program. The program provides seed money to well-known local venues which, in turn, hire musicians and offer free live music to their patrons.

GRANTMAKING

The Greater New Orleans Foundation awards grants to 501(c)(3) nonprofit organizations that support projects and programs benefitting the citizens of the Greater New Orleans area and meeting community needs. We annually award more than \$20 million in grants. Our discretionary dollars are directed to the following areas: housing, community revitalization, environment, arts and culture, children and youth, civic engagement and nonprofit support, education, health, and human and social services.

For a complete list of all Foundation-directed grants, please visit www.gnof.org/nonprofits. You can search by organization name, program area, and year.

To view a complete list of all grantmaking opportunities offered by the Foundation, please visit www.gnof.org/nonprofits. All applications and eligibility requirements are available online. Or, you may call the Greater New Orleans Foundation at 504-598-4663 for more information.

Becnel Farm's experimental peach field in Plaquemines Parish. Our donors made possible a grant by the Foundation's Plaquemines affiliate to test the viability of several varieties of peaches. The project could open new markets for area growers and mean fresher, more healthy fruit for local residents.

FOUR WAYS TO INVEST IN A GREATER NEW ORLEANS

Our generous donors are the fuel that powers the engines of change in the communities we serve. Here are four ways that potential donors can join us in creating a truly greater New Orleans.

Many choose to establish a **FAMILY OR CORPORATE FUND**. These funds are donor directed and tax advantaged and can be created in amounts of \$5,000 and up.

Contributions can also be made to **PARTNERS IN PHILANTHROPY**. Donors' gifts are pooled to enable the Foundation to direct significant sums of money to important community projects. These gifts cover the Foundation's operating expenses and enable it to continue its leadership role of connecting donors to the needs of the community.

When donors contribute to our **COMMUNITY IMPACT PROGRAM**, the Foundation is able to support important work in areas such as social services, education, arts and culture, neighborhood improvement, the environment, youth, and healthcare.

Finally, donors may **LEAVE A LEGACY** to support the causes they care about for generations to come.

LEAVE A LEGACY *A greater love*

Ellis Marsalis has already left us a lasting legacy of inspired musical performances. As a member of the Foundation's 1923 Society, he is also leaving a legacy of another sort. The Marsalis family has created the Mboya K. Marsalis Fund, named for their autistic son. Mr. Marsalis is pictured here with his wife Dolores and their son, Mboya.

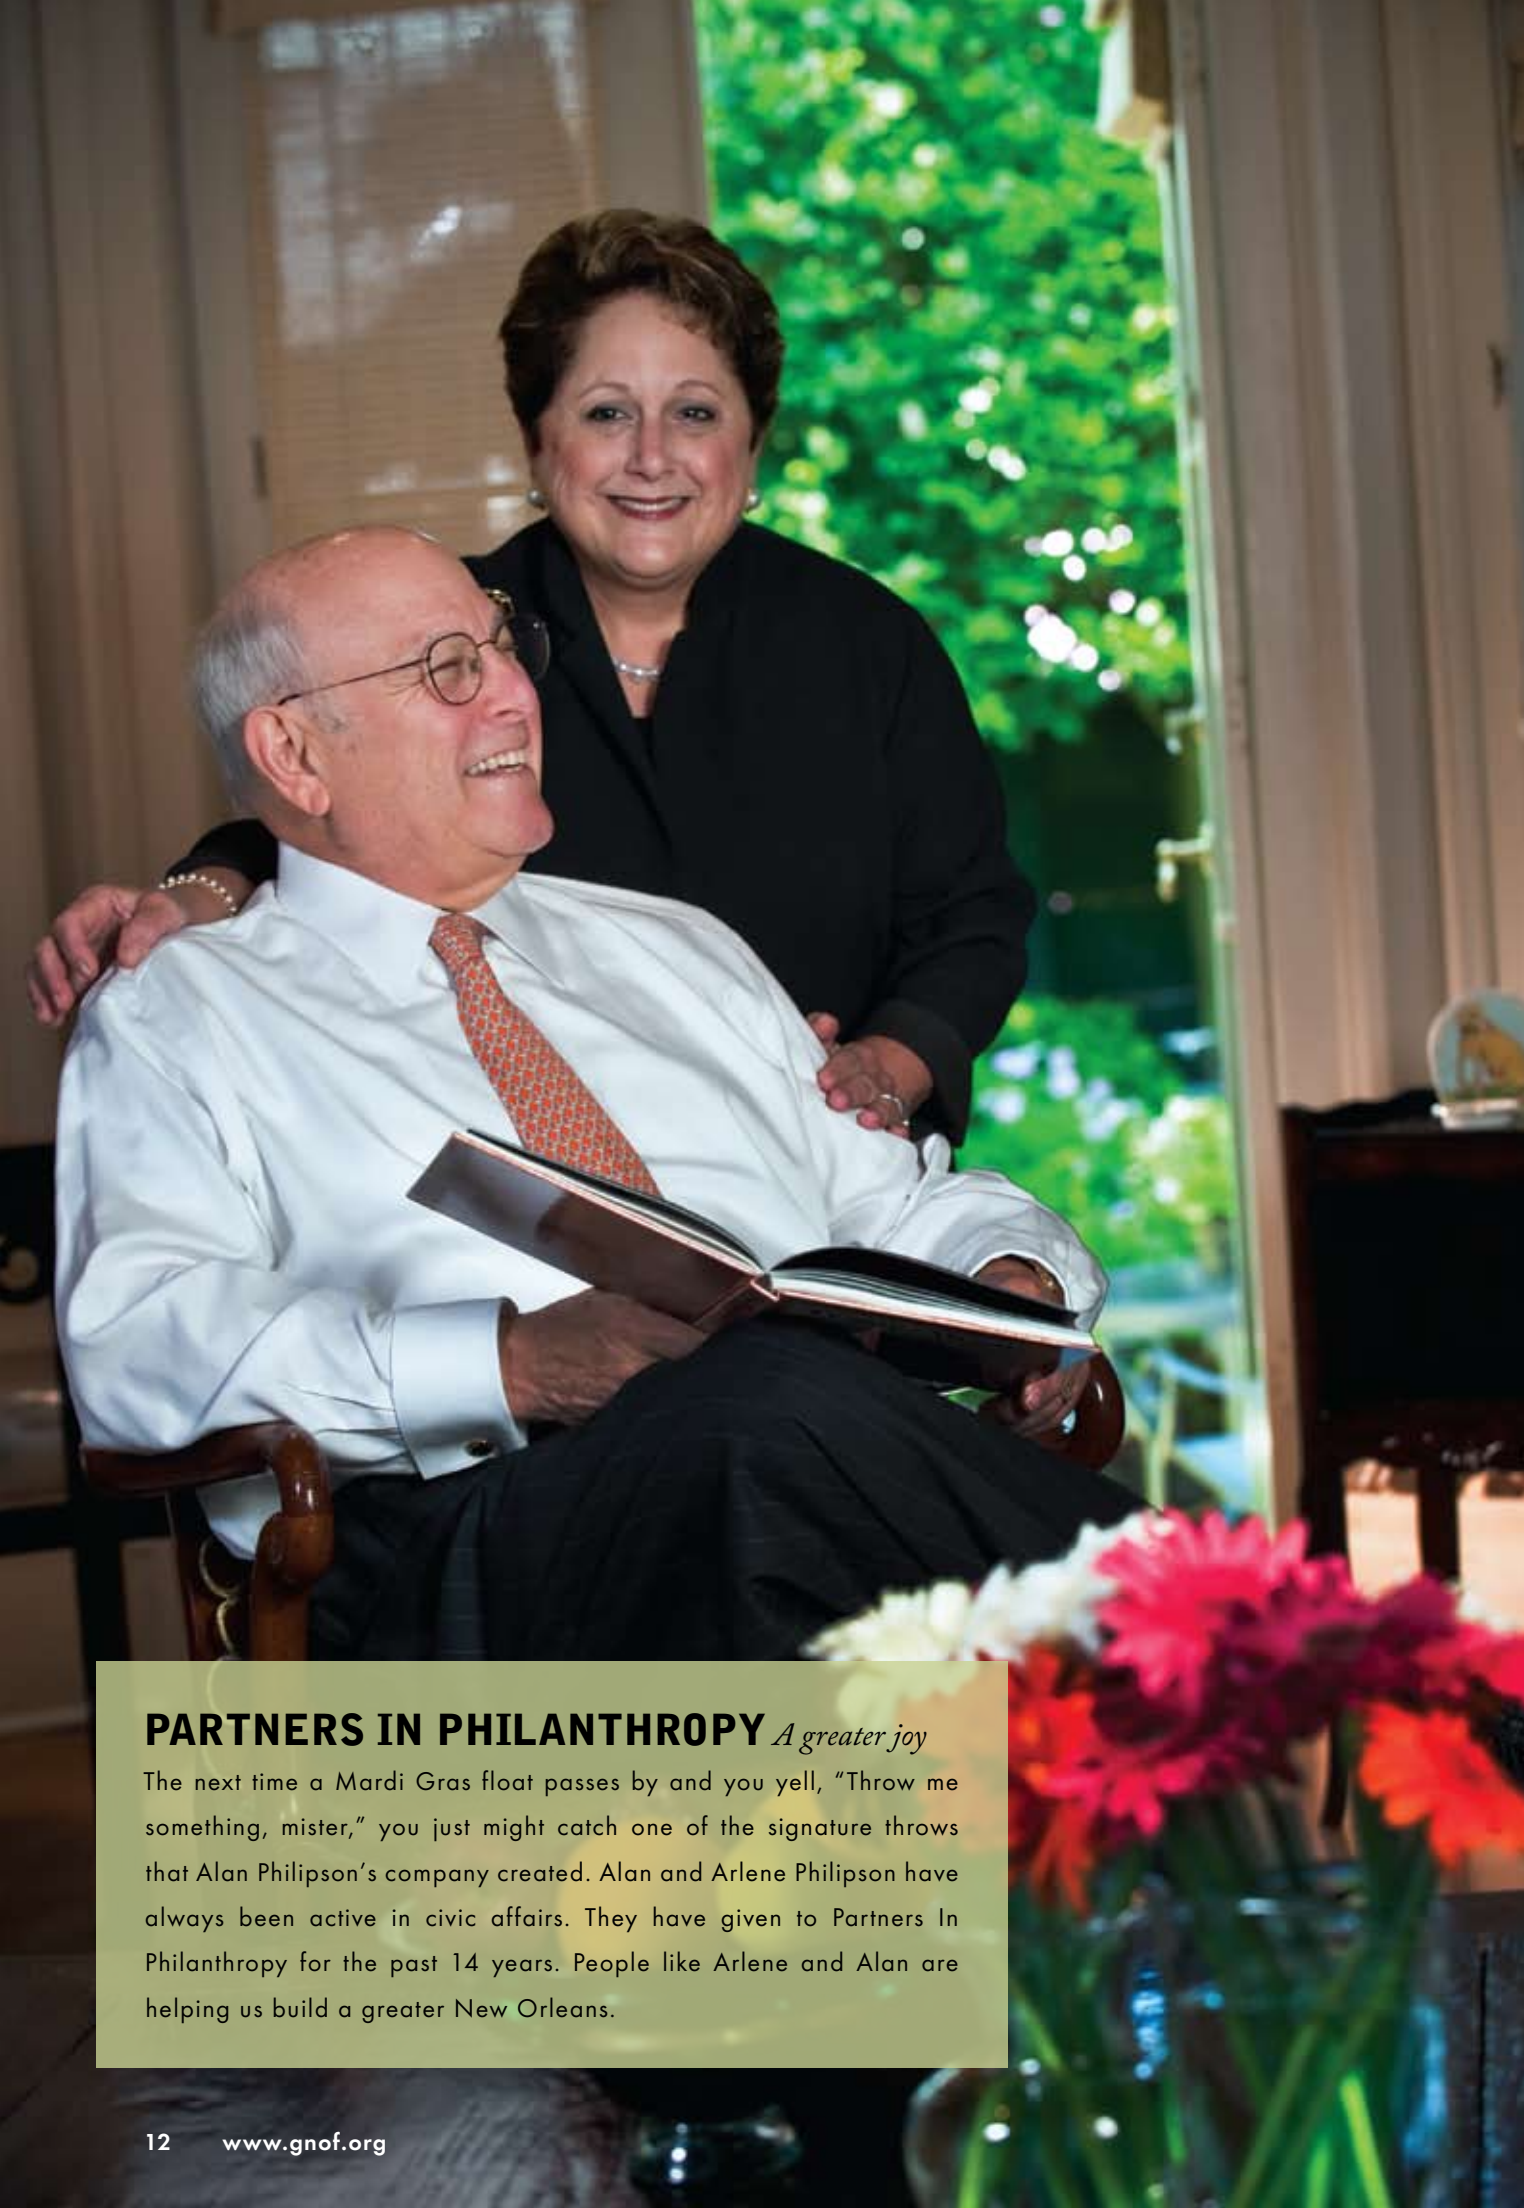

1923 SOCIETY

The 1923 Society recognizes the founding of the Community Chest, our predecessor, and honors those forward thinking individuals who have let the Foundation know that they plan to leave a gift to the community through a bequest, trust, life insurance policy, retirement plan, or charitable gift annuity. This elite group of philanthropists is providing ongoing information about the Foundation's activities. The Foundation extends its gratitude to them for making New Orleans a better place in the future.

PARTNERS IN PHILANTHROPY *A greater joy*

The next time a Mardi Gras float passes by and you yell, "Throw me something, mister," you just might catch one of the signature throws that Alan Philipson's company created. Alan and Arlene Philipson have always been active in civic affairs. They have given to Partners In Philanthropy for the past 14 years. People like Arlene and Alan are helping us build a greater New Orleans.

OUR PARTNERS IN PHILANTHROPY

Partners In Philanthropy is the Greater New Orleans Foundation's annual campaign to support the administrative and operating expenses of the Foundation. As a Partner, your gift enables the Foundation to continue its philanthropic leadership role of connecting donors to the needs of the community.

OPEN A FUND *A greater community*

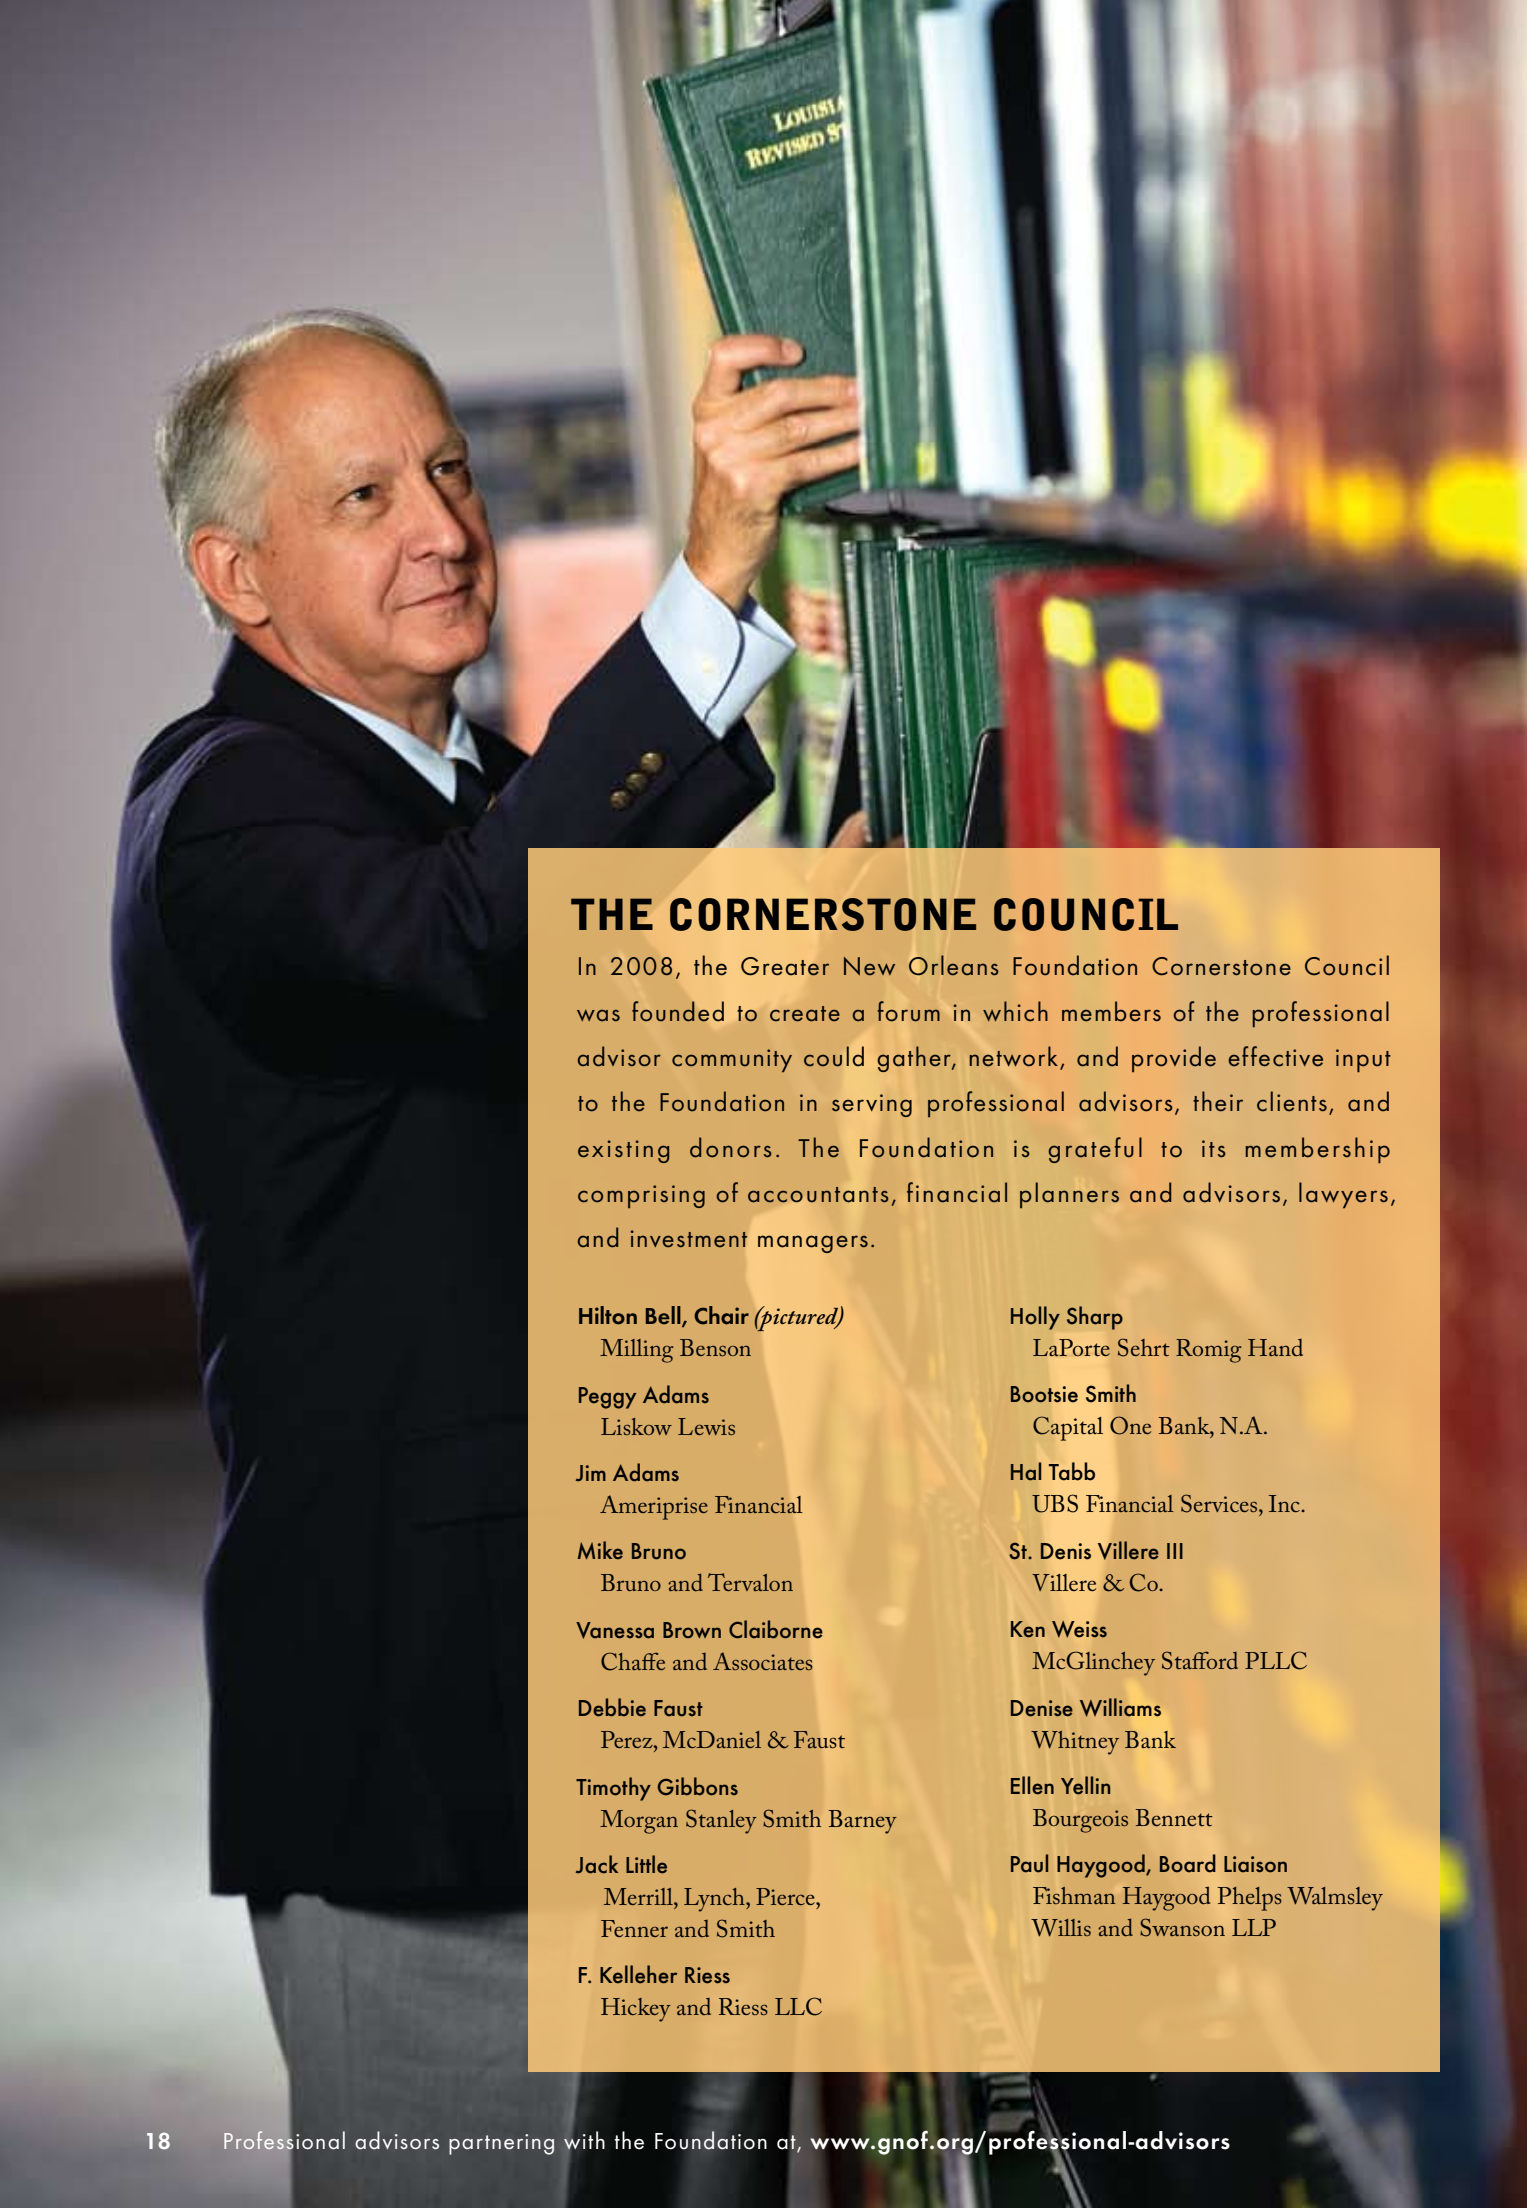

Byron LeBlanc and Patricia Schuster LeBlanc have successful professional careers. Through their generosity they are giving back to the community they love by establishing a family fund. Their gift will have a lasting effect on areas of special interest to them.

COMMUNITY IMPACT PROGRAM *A greater result*

A past Chairman of the Pan-American Life Insurance Company, today Frank Purvis is creating insurance of a different sort. By generously donating to our Community IMPACT Program, he is ensuring that the Foundation's important community revitalization efforts will continue. He is shown with his wife, Helen.

Evan Solet and Trent Dardar are dancing their way into an uncertain future. Threatened by the encroaching waters of the Gulf, the United Houma Nation's very existence is at stake. An Environmental Fund grant will help them adapt their architecture and make other changes that will enhance their resilience and sustainability. Changes that could very well make the difference between survival and extinction.

THE CORNERSTONE COUNCIL

In 2008, the Greater New Orleans Foundation Cornerstone Council was founded to create a forum in which members of the professional advisor community could gather, network, and provide effective input to the Foundation in serving professional advisors, their clients, and existing donors. The Foundation is grateful to its membership comprising of accountants, financial planners and advisors, lawyers, and investment managers.

SUPPORTING ORGANIZATIONS

Supporting organizations at the Greater New Orleans Foundation play an important role in addressing the needs of the region. They are separate nonprofit organizations with applicable tax-exempt status. They have a separate board of directors, can manage their own investments, and award their own grants. With professional oversight of all aspects of the supporting foundation's administrative, investment, and grantmaking performed by the Greater New Orleans Foundation, donors and their families can concentrate on their individual philanthropic interests without worrying about the details. A supporting organization can be an alternative to a private foundation or donor advised fund.

MAISON HOSPITALIÈRES FOUNDATION (2008)

In 1879 Coralie Correjolles organized 30 women into "La Société des Dames Hospitalières" to provide food and medicine to the impoverished women of New Orleans. Through its collection of 10 cent monthly dues over 14 years, the Société was able to raise enough money to purchase its first building at 822 Barracks Street. Over the next 113 years, Maison Hospitalière evolved into a skilled nursing home for men and women. In 2006, after Hurricane Katrina scattered residents and staff, the board decided to close the home. Proceeds from the sale were incorporated into a supporting organization administered by the Greater New Orleans Foundation. Maison's mission continues through grants to organizations that provide living assistance, medical, and hospice care to indigent women in the Greater New Orleans area.

JOHN AND CLARA BRADY FOUNDATION (2000)

The John and Clara Brady Foundation was established to fund their philanthropic interests in Lafourche and Terrebonne parishes.

PAT AND KATE BRADY FAMILY FOUNDATION (2000)

The Pat & Kate Brady Family Foundation was established to fund their philanthropic interests in Lafourche and Terrebonne parishes.

FERTEL FAMILY FOUNDATION (2000)

The Fertel Family Foundation was established by Randy Fertel, son of the late Ruth Fertel, founder of the famous Ruth's Chris Steak House restaurant chain. The Fertel Family Foundation supports numerous nonprofit organizations, with a special emphasis on culinary education and the arts.

LOUISIANA PHILHARMONIC ORCHESTRA ENDOWMENT TRUST (1998)

As an endowed trust, the Louisiana Philharmonic Endowment Trust supports the Louisiana Philharmonic Orchestra in perpetuity.

DJR FOUNDATION (1997)

The DJR Foundation was established by Shirley and Robert Haspel and named for their three sons, David, John, and Robert. This foundation is an active supporter of early childhood and education programs.

FRANK B. STEWART FOUNDATION (1993)

The Frank B. Stewart Foundation was founded by Frank B. Stewart, Jr., chairman of Stewart Enterprises. The foundation supports various nonprofit organizations with an emphasis on youth and education.

ALBERT N. & HATTIE M. MCCLURE FUND (1963)

The McClure Fund was established in 1963 to support emergency building projects for United Way partner agencies.

TOWARD A GREATER NEW ORLEANS

My Huynh is 92 years young. She still shops for her own fresh produce. But she has to travel some distance to do it. Support from the Foundation for the Mary Queen of Vietnam Community Development Corporation will provide financing for a retirement home in Eastern New Orleans so My can do her shopping a little closer to home.

INVESTMENT PERFORMANCE

LETTER FROM RICHARD W. FREEMAN, JR.,

Chair of the Investment Committee, Greater New Orleans Foundation

Dear Friends,

The year 2008 was characterized by turmoil not seen in the markets in many decades. Many have called the upset in the markets the most severe in seventy years. Domestic and international asset values were affected. Nevertheless, our results on a relative basis were good. The Greater New Orleans Foundation's endowment was down 20% which compares to a loss of 37% in the Standard & Poor Index.

These results were obtained by using the services of our investment advisors and managers. The funds at the Greater New Orleans Foundation are invested for returns over the very long term. The time horizon for investment decisions is considered to be perpetual. As a consequence, your Investment Committee considers carefully the allocation of assets and the payout from the assets. The annual grant-making budget for endowed funds is based on a spending policy of 4% of the average market value over the previous 12 quarters. This action hedges against negative returns, so grantmaking was strong even in a weakened economy.

We continue to work closely with our advisors to maintain a consistent allocation strategy and rebalance when necessary.

Sincerely,

Richard W. Freeman, Jr.
