

Nonprofit Essentials for Preparing for the COVID-19 Pandemic: Webinar 1 Resources

The Greater New Orleans Foundation wants to help the nonprofits in our region be best prepared for the disruptions this new coronavirus will cause. Through a partnership with CoronavirusREADY(www.coronavirusreadynow.com), a group of local education consultants led by Jay Altman, Adam Hawf, and Meghan Turner, we are starting a free webinar series and providing additional resources to help nonprofits in our region better respond to public health threats and any associated operational disruptions that may result from this pandemic.

This webinar series, **Nonprofit Essentials for Preparing for the COVID-19 Pandemic** will cover such topics as communication practices, continuity of operations, supporting your staff, and financial planning.
